

## PRESS NOTICE

### **Consultation with Stakeholders on Blueprint for the ICT sector**

The Ministry of Information Technology, Communication, and Innovation is dedicated to enhancing the country's ICT landscape. To this end, the Ministry is in the process of formulating a comprehensive Blueprint for the ICT sector, which will serve as a strategic document for policy formulation, infrastructure development, and technological innovation across all sectors.

To ensure this blueprint is inclusive and well-informed, a series of workshops have been held in the following sectors:

- Youth and Sports
- Commerce and Consumer Protection
- Education, Science, Human Resource and Research
- Industry, SME and Cooperatives, Technopreneurs
- Health
- Tourism
- Financial Services

In this context, stakeholders from public and private sectors are invited to contribute by sharing their insights and suggestions related to their respective fields. The Ministry highly values these contributions to develop a blueprint that reflects the shared vision and needs of the ICT sector.

**Deadline to provide views and suggestions: 14th March 2025.**

All views and suggestions should be sent via email to the following address: [mtci@govmu.org](mailto:mtci@govmu.org) or via the Chatbot of the Ministry on the <https://mitci.govmu.org>
